I created Program ACT, to address the immediate void, that's propounded upon the family, when a fallen hero, is killed in the line of duty.

My experience has been, that pursuant to the funeral and burial service, of said Hero, people must get back to the needs of their own lives and most times the families of these fallen Hero's are unintentionally forgotten.

To that end, I created a 52- Week Calendar Schedule, where the fallen's co-workers can sign up, for a given week, and go by the home of the fallen hero's family, to see if they're in need of anything: food, emotional support, mow the lawn, even if it's just to say hi, or sip a cup of coffee, throw ball with the kids (if any were left behind), or just to show their appreciation for what the family is going through and just keep an eye out for their families, that will mourn their deaths, for years.

A free printable yearly calendar :

(1) Coordinator to download and place on a bulletin board a sign up sheet.

(1) Volunteer that will sign up and go by to see the family and spend just - ONE HOUR, a week (at anytime during that week that bodes well for all parties

What to do or bring:

Maybe the family needs help with yard work

Maybe you can bring a HomeMade Meal

Playing catch with the kids

Just going by and letting them know that you care, and pray with them

The Holiday Season, is especially a very emotional time, maybe, a group of volunteers can show up just to give Hugs and let the grieving family know that everyone cares, and that they aren't forgotten.

Maybe you can invite the family over for a Holiday Dinner to your home?
Maybe you knit, and you can make something affordable to give the grieving family?

If you have enough funds take the family to see a Ball Game.

Just do whatever GOD puts in your Heart to Do.

Seeking Recognition for Helping a Grieving Family:

In Matthew: 6:1 - Jesus says:

Giving to the Needy

6 "Be careful not to practice your righteousness in front of others to be seen by them.

If you do, you will have no reward from your Father in heaven.

Friends, those that boast of how much they do, give, or help anyone that's grieving or in need, like Jesus says there's no reward from HIM, because you're doing the act to boast about yourself, when in order to be blessed do what you can "QUIETLY," seek no recognition or remuneration and HE will bless You and Yours beyond your wildest dreams!

While, only posted friends and former co-workers, that I worked with, during my tenure as a Miami Police Officer, my family and I dedicated this post to the family of ANY fallen Hero, and if there's anything we can do to help ease your pain, please reach out to us, as we seek absolutely No-Recognition - NONE.

May His blessings always be upon You and Your's,

In Jesus' Mighty Name
